Chengdu Herbpurify CO., LTD

成都瑞芬思生物科技有限公司

Batch NO: C-070-170526

Certificate Of Analysis																																																																									
Chinese Name	草质素苷	Botanical Source																																																																							
English Name	Rhodiumin	CAS Number	85571-15-9																																																																						
Mol. Formula	C ₂₁ H ₂₀ O ₁₁	Mol. Weight	448.378																																																																						
Solubility	Methanol	Appearance	white powder																																																																						
Loss on drying	≤2.0%	Purity	92.75%																																																																						
QC	HPLC: 乙腈: 0.2%磷酸水=30:70 波长 332nm																																																																								
Structure	N/A																																																																								
Rhodiumin HPLC
