## Certificate of Analysis

|              |                               |           |             |
|--------------|-------------------------------|-----------|-------------|
| Product Name | Potassium hexafluorophosphate |           |             |
| Batch No.    | 20180505                      | Quantity  | 130kg       |
| MFG. Date    | May.05.2018                   | EXP .Date | May.04.2020 |
| CAS No.      | 17084-13-8                    | Specs     | 99.5%min    |

| ITEMS            | SPECIFICATION        | RESULTS  |
|------------------|----------------------|----------|
| Appearance       | White square crystal | Conforms |
| Moisture         | $\leq 0.3\%$         | 0.20%    |
| SO <sub>4</sub>  | $\leq 0.01\%$        | 0.006%   |
| KCL              | $\leq 0.01\%$        | 0.007%   |
| FreeF            | $\leq 0.5\%$         | 0.23%    |
| KF               | $\leq 0.3\%$         | 0.16%    |
| Fe               | $\leq 0.006\%$       | 0.004%   |
| Pb               | $\leq 0.0008\%$      | 0.0006%  |
| SiO <sub>2</sub> | $\leq 0.02\%$        | 0.018%   |
| Acid value       | 0.07%                | Conforms |
| Granule          | 60mesh               | Conforms |
| Assay            | $\geq 99.5\%$        | 99.63%   |
| Conclusion       | Up to the Standard   |          |
| Remarks          |                      |          |
