Volume 9, 2007

Brandon I. Morinaka, Makoto N. Masuno, Joseph R. Pawlik, and Tadeusz F. Molinski**Amaranzole A, a New N-Imidazolyl Steroid from Phorbas amaranthus.*

Page 5222. The statement, “(*R*)-(+)-**7** was synthesized as shown in Scheme 2 starting with commercially available (*R*)-(+)-2-amino-1-butanol”, is in error. The starting material was (*R*)-(–)-2-amino-1-butanol. Correct configurations and signs of rotation are depicted in the revised Scheme 2, below.
