质量报告单  
**CERTIFICATE OF ANALYSIS**

|                        |                               |               |                   |
|------------------------|-------------------------------|---------------|-------------------|
| Product name           | Dnase I                       |               |                   |
| CAS No.                | 9003-98-9                     |               |                   |
| Batch number           | Lot:N2502130046               |               |                   |
| Production date        | February 13, 2025             | Expiring date | February 12, 2026 |
| Standard adopted       | Enterprise standard           |               |                   |
| Items of analysis      | Specification                 | Results       |                   |
| appearance             | white powder                  | conforms      |                   |
| Appearance of Solution | Clear                         | Clear         |                   |
| Activity               | Not less than 300 Kunitz u/mg | 345 Kunitz/mg |                   |
| RNase                  | ≤0.01%                        | conforms      |                   |
| Chymotrypsin           | ≤0.01%                        | conforms      |                   |
| Protease               | ≤0.01%                        | conforms      |                   |
| Conclusion             | Qualified                     |               |                   |
