

Hainan Hua Yang Shun Import & Export Co.,Ltd

## CERTIFICATE OF ANALYSIS

Product name: <b>Industrial potassium hydroxide (solid)</b>	No.: MYZJ/KOHCP-3-	12001		
Batch number: 4 122570201	Batch (t):	60		
Production date: 2024. 12.26	Net content (kg):25			
Production unit: Qinghai Salt Lake Magnesium Co., Ltd. PVC & Potash Plant	Implementation standard: GB/T1919-2023			
Address: Qalhan Magnesium Metal Industrial Park, Golmud City, Qinghai Province	Appearance: white, flake-like			
Inspecting item				The measured value
	I mould	II mould	III mould	
Potassium hydroxide (KOH) w/% ≥	95.0	90.0	85.0	91.4
Potassium carbonate (K <sub>2</sub> CO <sub>3</sub> ) w/% ≤	0.5			0.3
chloride(calculated as Cl)w/% ≤	0.01			0.002
Nitrate and nitrite (in N) w/% ≤	0.001			<0.001
Iron (Fe)w/% ≤	0.0005			0.0001
Sodium (Na)w/% ≤	1.0			0.8
Nickel (Ni)w/% ≤	0.001			0.0002
Heavy metals (Pb) w/% ≤	0.001			<0.001
Inspect the conclusion: After inspection, the product conforms to GB/T1919-2023 standard II mould sanitary type metric.				
Report date: 2024,12,26		Inspection unit (seal): Quality		
The sampler: 青海萍		examiner: 刘珊		
Review: This report 白小玲				
There are five copies in one set, one copy is retained, two copies are sent to the production scheduling center, three copies are sent to the marketing management department, four copies are sent to the storage center and five copies are sent to the production unit
