检验报告书

Quality Analysis Certificate

Report number: 20170308

Issue Date: 2017-03-08

Product Name	Aspirin enteric-coated tablets	Inspection time	2017-03-08
Batch No.:	WZY20170308	Manufacture Date	2017-03-06
Test purpose:	Factory inspection	Expiry Date	2019-03-08
Inspection quantity	15000 Bottle	Specifications	300mg/Tablet
Item	Standard regulation	Result	
Characters	This product is enteric coated tablet, it is white after removing coating	This product is enteric coated tablet, it is white after removing coating	
Identification (1) Chemical reaction (2) HPLC	(1) Positive reaction (2) Same as the Chromatogram of reference solution	(1) Positive reaction (2) Same as the Chromatogram of reference solution	
Weight	Should comply with the provisions of	Complies	
Free salicylic acid	$\leq 1.5\%$	$< 0.1\%$	
Dissolution	(1) Acid release: $\leq 10\%$ of the labeled amount (2) Release in buffer: $\geq 70\%$ of the labeled amount	(1) Complies (2) Complies	
Assay	This assay of aspirin( $C_9H_8O_4$ ) 93.0%~107.0%	101.5%	
Microbial limit	1g samples:the total number of aerobic bacteria $\leq 2000$ CFU;mold and yeast count $\leq 200$ CFU;escherichia coil may not be detected	Complies	
Conclusion	Qualified
