## CERTIFICATE OF ANALYSIS

NO: DYC101706212

|                    |                                                                                   |
|--------------------|-----------------------------------------------------------------------------------|
| Product name       | Bimatoprost                                                                       |
| CAS Number         | 155206-00-1                                                                       |
| Molecule Structure |  |
| Molecule Formula   | C <sub>25</sub> H <sub>37</sub> NO <sub>4</sub>                                   |
| Batch number       | 20170220                                                                          |
| Manuf & Exp. Date  | 2017-02-20                                                                        |
| Testing date       | 2017-02-21                                                                        |

| Analysis tests  | Standard                                            | Results     |
|-----------------|-----------------------------------------------------|-------------|
| Appearance      | White to off white solid                            | white solid |
| Purity by HPLC  | ≥99.0%                                              | 99.56%      |
| Single impurity | ≤0.5%                                               | 0.24%       |
| Water (KF)      | ≤0.5%                                               | 0.27%       |
| 15R-isomer      | ≤0.1%                                               | ND          |
| Conclusion      | It complies with the requirements of SP-BM08-01-001 |             |
