Anti back stain powder MATERIAL SAFETY DATA SHEET (MSDS)

I. IDENTIFICATION OF THE SUBSTANCE	
Trade name	Anti back stain powder
Description	Anti-sticking back effect
Chemical characterization	Surfactant
CAS No.	64422-66-8
Color	White or light yellow
Appearance	Powder
Supplier	Zibo Green Trade Co.,Ltd .
	Zhoucun textile science and technology five west 18, Zibo city, China. Post Code: 256300 Phone No.: 86533-2722853 Fax No.: 86533-2722853

2. HAZARDS IDENTIFICATION

According to the available data to determine this product is nontoxic, biodegradable. But please try to avoid unnecessary contact with this product. Prolonged exposure to the protein-based products, it may cause a few people to produce allergic reactions. Please avoid exposing children to this product. The usual protective measures against handling chemicals should be taken when operating of this product.

•	•

9. STABILITY AND REACTIVITY		
Stability	Stable under recommended storage and handling conditions.	
Conditions to avoid	Elevated temperatures of storage and direct sunlight	
Materials to avoid	None	
Hazardous decomposition products	None	

10. TOXICOLOGICAL INFORMATION

Inappropriate handling may cause sensitization and allergic reactions in sensitized individuals. Prolonged skin contact may cause irritation.

11. DISPOSAL CONSIDERATION

No special disposal method is required. Dispose of in accordance with current local authority regulations and requirements.

12. TRANSPORT INFORMATION

UN No.	Not applicable
Road/rail	Not applicable
Sea	Not applicable
Air	Not applicable

13. OTHER INFORMATION

The information contained in this Material Safety Data Sheet, as of the issue date, is believed to be true and correct. However, the accuracy or completeness of the information and any recommendations or suggestions are made without warranty or guarantee. The information only concerns the above product a supplied and may not be valid if used with other product(s) or in any process. Since the conditions of use are beyond the control of our Company, it is the responsibility of the user to determine the conditions of safe use of this preparation. The information in this sheet does not represent analytical specifications.
