

Certificate of Analysis

Name:	sodium 3-(10H-phenothiazin-10-yl)propane-1-sulfonate	
Molecular Weight:	343.40	
Cas No:	101199-38-6	
Batch No.	20190110	
Item	Specification(%)	Result(%)
Appearance	Off-white or grey solid	Complies
Assay(HPLC)	no less than 98	99.45%
Identification	HNMR	Complies
Solubility	Soluble in DMF,DMSO	
Conclusion	Complies	
Shipping condition	Shipped under ambient temperature as non-hazardous chemical. This product is stable enough for a few weeks during ordinary shipping and time spent in Customs	
Storage condition	0-5 °C	
Self life	At least 10 years if properly stored	

Caution: Not fully tested; For research only; Not for human use
