

### CERTIFICATE OF ANALYSIS

PRODUCT NAME: Vitamin C coated/ Ascorbic Acid coated

GRADE: FEED GRADE

BATCH NO.: VC2019081602

QUANTITY: 1500KGS

MANF. DATE: Aug. 16, 2019

DATE OF REPORT: Aug. 19, 2019

EXP.DATE: Aug. 15, 2021

| Test Item      | Specification                         | Result                |
|----------------|---------------------------------------|-----------------------|
| Appearance     | White to light yellow fluidity powder | White fluidity powder |
| Identification | Positive                              | Positive              |
| Content        | $\geq 97\%$                           | 97.28%                |
| Moisture       | $\leq 2\%$                            | 0.08%                 |
| As             | $\leq 2\text{ppm}$                    | $< 2\text{ppm}$       |
| Pb             | $\leq 5\text{ppm}$                    | $< 5\text{ppm}$       |

**Conclusion:**

The above Specifications comply with the requirements of Feed Grade
