

## Technical Data Sheet

### Chemical Description:

CAS#109-52-4

Chemical name: Valeric acid

UN number:3265 Class:8 Packing group:II

### Specification:

Appearance: Colorless to light yellow liquid

Assay: 99.5%

### Handling and Storage:

#### \*Handling

Avoid inhalation of vapour or mist.

#### \*Storage

Keep container tightly closed in a dry and well-ventilated place.

Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Storage class (TRGS 510): 8B: Non-combustible, corrosive hazardous materials
