CERTIFICATE OF ANALYSIS

Product Name: (3R,4S)-3-hydroxy-4-phenyl-2-azetidinone

Structure:

CAS Number: 132127-34-5
Molecular Formula: C₉H₉NO₂
Molecular Weight: 163.17
Batch No.: 1804002
Manufacturing Date: Apr. 2018
Retest Date: Apr. 2020
Storage: Store in airtight container

Tests and Methods	Specifications	Results
Appearance	White to off white crystalline	Conforms
Identification	Both the test sample and the reference standard exhibit the same intensity of absorption at the same wave number	Conforms
Purity	Not less than 97.0%	99.92%
Chiral purity	Not less than 99.0%ee	100.00%ee
Loss on drying	Not more than 3.0%	0.11%
Conclusion	Conforms to the requirement of enterprise standard
