

## 金银花提取物 Honeysuckle Extract

产品名称 Product Name 金银花提取 Honeysuckle Extract 批号 Lot NO. HSBEO120200512  
植物名称 Botanical Name *Lonicera L.* 批次数量 Quantity 50kg  
生产日期 Manufacture Date 2020-05-26 保质期 Expiry Date 2022-05-25  
提取溶剂 Extract Solvent 乙醇 Ethonal 提取部位 Part Used 果实 Flowers

| 检测指标 ITEM                                                                                                                                                       | 产品规格 SPECIFICATIONS & METHODS    | 检测结果 TEST RESULTS |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-------------------|
| 外观 Appearance                                                                                                                                                   | 棕黄色粉末 Brown yellow powder        | 符合规定 Complies     |
| 味道 Odor and taste                                                                                                                                               | 具有独特气味 Unique honeysuckle flavor | 符合规定 Complies     |
| 鉴别 Identification                                                                                                                                               | TLC                              | 符合规定 Complies     |
|                                                                                                                                                                 | HPLC                             |                   |
